

Swann Insurance Australasian Superbike Championship Series Competitor Number Registration Form

Competitors planning to compete in the 2017 Swann Insurance Australasian Superbike Championship Series are invited to secure and register a 2017 season race number for the main class they compete in.

Please note it is NOT compulsory to register a race number all competitors whether registered or not are welcome to enter any Swann Insurance Australasian Superbike Championship Series event and both RACERS and current MA National Competition Licences are accepted for our events.

To secure a registered number there is a registration fee for 2017 which is \$47.50 Inc GST and provides the following benefits for competitors;

1. Registered Racing Number for the 2017 Swann Insurance Australasian Superbike Championship:

Once a number registration is accepted by ARTRP then that number becomes the riders own number in their nominated class for 2017 in the Swann Insurance Australasian Superbike Championship Series.

Registered numbers will be forfeited if they are not used by the competitor who has registered it for example if unable to compete due to injury or mechanical failure.

Prior to registering rider numbers competitors need to read their class rules regarding eligibility of entering any of the series classes. Class rules are posted on our websites www.aus-superbikes.com.au and www.fxsuperbikes.com.au in each websites Competitors section.

2. 2017 Australasian Superbike Championship Series T-Shirt

All riders with a class registered number will receive a 2017 Australasian Superbike Championship Series T-Shirt in your nominated size valued at \$30.00 RRP.

2016 Class Champions & Reserved Number Information Plus Other Registration Information:

1-3 in each class are reserved and **must be used** by the competitors who finished in a top three series finishing position in the 2016 Swann Insurance Australasian Superbike Championship, if entering in the same class for 2017.

The top three numbers are at no cost as is the series t-shirt for the returning top three finishers in each outright class.

Competitors who finished in 4th to 10th position outright in their class in 2016 have first right of choice to use their series finishing order number if returning to compete in the same class and at no cost. If a rider who finished in 4-10 in a class wants to register a different number then they can do so at the \$55 cost. The 4-10 numbers are reserved up until the 24th February, if a registration form is not received by ARTRP by that date securing the 4-10 position number then the 4-10 number will become available to be chosen by another competitor.

If a 2017 competitor who finished 4-10 in their class in 2016 and wants to receive series clothing benefits of the above package they can still register like everyone else to receive the other benefits for the same amount.

Riders who have a class registered rider number for 2016 will be given until close of business on Friday 24 February 2017 to apply and secure their rider number for the same class in 2017.

A listing of allocated series rider numbers will be posted on our websites www.aus-superbikes.com.au and www.fxsuperbikes.com.au in the Competitors Support section and will be updated weekly from 24 February.
